**Official Apex Reviews Rating: ★★★★★**

**“Your mind can be your best friend or your worst enemy. Depends on what you put into it and how you use it.”**

This quote from Gerald Simmons perfectly describes the essence of **The GPS Success Guide**, his new motivational offering. Touching on a range of different subjects, Simmons’ volume explores the depths of everything from prosperity to courage to self-confidence to staying focused, the underlying message to the reader being the need to keep moving forward in the pursuit of your dreams - no matter what.

Featuring insightful biblical scripture, helpful anecdotes, and pointed quotes from notable historical figures, **GPS** is a ready resource of constant inspiration. Simmons even includes numerous sections allowing readers to take notes, prompting them to think more in-depth about the various topics that he addresses throughout the volume. In light of the considerable omnipresent adversity that continues to darken many of our days, **GPS** proves to be a relative balm for the pains of unemployment, family troubles, heartache, and generalized anguish often difficult to overcome; as such, it is an invaluable instructional tool pointing the way out of the temporary travails we are commonly misled to believe are permanent.

Profoundly eye-opening, **The GPS Success Guide** is a welcome addition to the world of self-help literature, one sure to have readers looking forward to more standout offerings from this promising new literary talent.
